

SUPREME COURT OF QUEENSLAND
415 GEORGE STREET, BRISBANE

MEDIA RELEASE

15 AUGUST, 2014

Today's Courier Mail has an article in which it states that I have been appointed to the "special subcommittee ... set up to investigate the possibility of televised proceedings and live streaming" of Supreme Court hearings.

I have not discussed this issue with Chief Justice Carmody.

There is no such taskforce or subcommittee as far as I am aware.

I was on such a subcommittee with Justice Mullins and the late Justice Bob Douglas but that was more than a decade ago.

Our considerations did not progress as Chief Justice de Jersey was not then keen to pursue the matter.

The Honourable Justice Margaret McMurdo AC
President Court of Appeal
