Dear Mr Smallbone

I refer to your application for appointment as Senior Counsel dated 25 July 2014.

Your application was received by the Bar Association after the cut-off time of 5:00pm on Friday, 25 July 2014.

Your application was not accompanied by any explanation of why it was lodged late and that due to 'special circumstances' it should nonetheless be considered (clause 17 of the Senior Counsel Protocol).

I am instructed to advise you that your application will not be considered.

I am returning with this letter your application. The Bar Association has not made nor kept a copy.

Yours sincerely

P.A Selth
Executive Director
