Mr Philip Selth,  
Executive Director,  
The New South Wales Bar Association,  
BY HAND.

Dear Philip,

**My application for silk 2014**

Yesterday you wrote to say that you were instructed to advise me that my application would not be considered.

Please advise who gave you that instructions, in what terms and whether it was general or specific to my application.

Would you please also give me an indication of when I might expect a decision on my application yesterday for extension of time by 12 minutes.

Yours faithfully,

D. A. SMALLBONE
